

Alert Level 2 at Flip Out

(Requirements from Sport New Zealand - May 7th, 2020)

Under Alert Level 2 the disease is contained, but there is still a risk of community transmission. The objective of these guidelines is to minimise the risk of transmission of the virus, and to be able to rapidly track and isolate any cases that may arise. Subject to the range of public health measures outlined below, play, active recreation and sport can resume under level 2. This includes contact team sports and physical activities only if good contact tracing is possible and hygiene measures, particularly washing and drying of hands, and regular sanitising of equipment and surfaces are in place. Make sure you know (or can identify) anyone who is participating in your activity, including players, officials and spectators/supporters, in case someone gets sick.

Guidelines	Flip Out Process
<p>Contact Tracing Contact tracing register for all participants and spectators must be in place and able to be accessed quickly.</p> <p>Cleaning and Hygiene You must adhere to basic hygiene measures, including washing and drying hands before and after any activity. Also exercise caution with common touch points (e.g. gates or doors) and wash or sanitise your hands after touching these surfaces. Facilities must have a written plan for safe operation in place. Sanitation measures can be found here. Facilities, water, soap and towels/drier should be made available for participants to wash and dry their hands or hand sanitiser (containing at least 60% alcohol).</p>	<p>Contact Tracing: Online booking will allow us to have a contact tracing procedure that is fast and easy. If you book from home it will be great, but you can also book once you get here from outside the building. Online can be done at flipout.co.nz.</p> <p>Cleaning Hygiene:</p> <ol style="list-style-type: none">1. Wash and dry your hands before going into the trampoline arena.2. Jumpers must wear clean grip socks in the arena.<ol style="list-style-type: none">a) Reception: you will receive wristband and grip socks. Safety rules and COVID -19 Rules will be given, keeping 2m distance between bubbles.b) Mezzanine Floor: leaving valuables and shoes. Change your socks to grip socks.c) Ground Floor: will be your safe and clean space.3. Parents and Guardians must stay in the cafe or mezzanine area.4. Cough into your elbow and don't touch your face.

Gatherings

Gatherings must be limited to a maximum of 100 people (either indoors or outdoors). If you are unwell If you or members of your household are unwell, you should stay home. You must not participate in physical activity (or leave home) if you are displaying symptoms of COVID-19, awaiting a test result, or required to self-isolate.

Physical Distancing

People are encouraged to remain 2 metres apart from people they don't know or where there is no contact tracing in place.

Risky activities

Activities should only be completed within your confidence and skill level to continue to reduce the need for essential services assistance.

Gatherings:

Our maximum capacity will be set up in our system for 90 people. We are able to keep track of this through all the bookings made online, in conjunction with our POS system.

We expect any customers feeling unwell to not attend Flipout until you are recovered.

Physical Distancing:

We have implemented guidelines that allow our Flippers to stay 2m apart.

- a) Floor stickers
- b) One person per trampoline at all times (allow the 2m distance)

Risky Activities:

We ask you to treat your visit to Flipout with the care you would take any other time. We have supervisors downstairs ensuring everyone's safety and that everyone is following our safety rules. With this taken into account, risk is strongly minimised.
